The VMAC logo consists of three horizontal red lines above the word "VMAC" in a large, bold, white, sans-serif font. Below "VMAC" is the text "VEHICLE MOUNTED AIR COMPRESSORS" in a smaller, white, sans-serif font. The background of the advertisement shows a white Ford pickup truck with a VMAC air compressor mounted on the back. A worker in a blue uniform and white hard hat is operating the compressor. The scene is set in a dark, industrial environment with a blue tint.
